

Job Shadow

As a college student, few experiences are as eye-opening as seeing a future career up close. Our two-day job shadow program gives you the chance to check out the world of accounting firsthand and explore whether it's the right career path for you.

During your time with Mowery & Schoenfeld, you will:

- Learn about opportunities for students in both public accounting and industry accounting
- Meet partners from across the Firm, including assurance, tax, and accounting
- Network over lunch with your job shadow peers and recent graduates working at the Firm
- Participate in a 30-minute one-on-one session with a Firm associate
- Get resumé tips from our HR and recruiting experts
